Hello Jim,

If you can connect with your contact and get them to send an invoice that would be great. I will see what I can do on my end. They have an automated system in regards to invoicing, that is why I was wondering if you had a contact person.

Thank you,

Sydney

Hello Jim,

To answer your question, no I did not receive an actual invoice for this work. Is the work complete?

Thanks,

Sydney

Hi Sidney,
The attached receipt is from Agilent for the work done on our Mass Spec. No cost was given with this receipt. Did you receive a receipt with the cost of the repairs? If not I will contact Agilent again
Thanks,

Jim
